REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The primary reason for the allowance of the claims in this application, is the recitation of the specific self closing slide as structurally defined and functionally interrelated as now stipulated in the independent claims, in combination with the other elements recited, and in view of applicant's remarks now of record.
2. After further review, it is deemed that claim 1 as currently amended is generic to the non-elected species and as such, previously withdrawn claims 12-15 have been rejoined and fully treated on the merits.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to James O. Hansen whose telephone number is 571-272-6866. The examiner can normally be reached on Monday-Friday between 8-4:30 pm.
